College Name: Kalyani Government Engineering
College

Branch: Electronics and Communication

Sub: Provision of scholarship to engineering students

Dear **Anubhav**,

Congratulations and Welcome to the Siemens Scholarship Program 2022-23

Siemens Scholarship Program

In line with the Siemens Corporate Citizenship objective of promoting technical education, Siemens intends to provide Scholarship to meritorious less privileged students studying in government engineering colleges. Siemens aims to provide scholarship covering tuition fees and other expenses along with a training and development plan to make the Scholars' industry-ready.

Salient features of the scholarship:

- Annual scholarship comprises of:
 - Tuition Fees reimbursement (If the student is availing any other scholarship, then the balance amount would be reimbursed)
 - Allowances of Rs. 30,000/- on the basis of **Credits Linked Allowance System (CLAS)** (for books, stationeries, hostel, additional classes, etc)
 - Laptop (one time)
- Holistic development program at Siemens

Your Enrollment as a Scholar to the program is on the terms and conditions stipulated herein:

Terms and Conditions

1. The scholarship is subject to the Scholar meeting the criteria as mentioned in Annexure-I and submit the documents accordingly.

Siemens Ltd.
Sunil Mathur
Managing Director

Birla Aurora, Level 21, Plot No.
1080, Dr. Annie Besant Road,
Worli, Mumbai – 400030
India

Tel.: +91 22 3967 7000
Fax: +91 22 3967 7500

2. The scholarship is an annual scholarship and the Scholar will have to apply annually.
3. The Scholar would need to declare any other scholarship availed. The balance tuition fee amount, if any, will be reimbursed by Siemens.
4. At the time of signing the Siemens Scholarship, if the Scholars have applied for other scholarship but not yet received, Siemens would reimburse the total tuition fee. Once the scholarship from other sources is received, the Scholar must inform Siemens about the same. The scholarship amount for the next academic year, subject to student being eligible for next year, will be adjusted against the scholarship received from other sources.
5. **Credits Linked Allowance System (CLAS)** is being introduced from this year. The Allowance amount of Rs 30,000/- will be linked to the **Credits** that you will **Earn** based on your performance and participation across all the developmental activities under the SSP for that year.
6. The student needs to procure a smart phone with 4G data connection. This is to participate in sessions with Growth Centre and Smile Foundation as part of the development program of the Scholarship Program
7. The scholarship is also subject to Siemens obtaining a Certificate of Conduct from the College annually from second year onwards.
8. The scholarship received for this year does not automatically make the student eligible for scholarship for the remaining years of engineering.
9. Conditions because of which the student will be debarred forever from Scholarship program in future:
 - a. The scholarship for the next year is subject to scoring 1st class in the current year. No ATKT (Allowed To Keep Terms) or backlogs on Year-on-Year basis is permissible i.e. Scholars who are unsuccessful to pass in all the subjects at the end of a given academic year lose the scholarship.
 - b. Negative Conduct Certificate from the College.
 - c. Scholars who do not attend the holistic development program as per the development plan for this academic year as mentioned in Annexure-I
10. The scholarship is not transferrable and not negotiable.
11. Siemens is not responsible for any accidents, injuries met by the Scholar while travelling for trainings/ workshops or any other activity as per the requirement of the Scholarship program.
12. Siemens has no liability towards the Scholar other than the scholarship for the given academic year.

13. Siemens is not entitled for granting employment to the Scholars in Siemens at the end of the Scholarship program.
14. In case of any information given by the Scholar is found to be false or incorrect at any point in time, the enrollment to the scholarship will be deemed void and liable for termination without any notice.
15. The Scholar shall inform change in information provided to Siemens, if any, in writing to Siemens Ltd. within a week from the date of such change.
16. Siemens has the right to discontinue the Scholarship at its sole discretion.
17. The Scholar has the right to discontinue from the Scholarship with prior notice stating the reason for the same.
18. The laptop is given to the Scholar solely for educational purposes.
19. Scholar would not demand any software or maintenance support from Siemens and Smile Foundation.
20. Scholar commits that the laptop will be used for educational purpose only.
21. Scholar commits to hand over the laptop to a registered recycler at the end of its usable life or if the system is beyond repair.

We welcome you to Siemens Scholarship Program and look forward to your long and fruitful association with the Program.

Kindly return the duplicate of this letter, duly countersigned at the place provided therein, in token of your understanding and acceptance of the above.

Yours faithfully,
SIEMENS LTD.
